## PROFESSIONAL EXPERIENCE

*Director of Arts and Humanities, University of Virginia Library, 2015-.* Supervise a team of
ten subject liaisons in the arts and humanities disciplines.   Provide leadership and
vision for the library's liaison services, with a focus on outreach, engagement, and
research support.  As a member of the Library Services and Spaces leadership team,
help shape and coordinate public services across the library system.  Monitor emerging
areas of scholarship and curricular changes in the arts and humanities, and ensure that
library services and collections meet these evolving needs.

*Librarian for English, University of Virginia Library, 2006-2018.*  Provide outreach and
liaison services to the Department of English.  Provide research consultation for faculty,
students, and visiting scholars in the discipline.  Offer course-related instruction at all
levels, including research methods training for graduate students and advanced
undergraduates, as well as tool-based training. Develop and maintain robust print and
digital collections for English-language literature; manage collections funds.

*Manager, Digital Services and Technology Support, Humanities and Social Sciences Services,
2004-2015.*  Served as a member of the department's leadership team. Managed a unit
providing public-facing digital information services and technology support, including
e-reference, online research guides, electronic resource management, distance learning
initiatives, and digital wayfinding.  Supervised a staff of eight full-time employees in
various subject specialist, reference, instruction, and tech support roles.

*Librarian, Semester at Sea, Fall 2010.*  Managed all aspects of a 9,000-volume shipboard
library in support of a semester-long academic voyage.  Provided classroom instruction,
reference assistance, and research consultation as well as basic circulation and
cataloging services. Supervised a full-time assistant and 10 part-time student assistants.

*Lead Information Community Coordinator, University of Virginia Library, 2002-2004.*
Developed models for establishing and fostering the growth of online scholarly
communities, with a special focus on the American Studies Information Community.
Integrated digital content along with tools for analysis and communication to create a
virtual research and collaboration space for scholars.

*Assistant/Associate Director, Electronic Text Center, University of Virginia Library, 1997-
2002.*  Coordinated the operations of a pioneering digital humanities center with a large
online collection of XML/TEI-encoded text. Managed large-scale digitization projects,
often including grant-funding agencies or other external partners.  Promoted the work

of the Center through extensive presentation at conferences and workshops. Hired, trained and supervised full-time and part-time staff. Managed the Center's budget.
